HARVEST PARTNERS CONNECTION

Volume 1, Issue 1

March 2013

I greet you in the name of Jesus Christ!

On January 20, our team of 6 people departed for the city of Cherkessk, Russia, to participate in the seminar, *Encounter*. We arrived on January 21, were placed in the church, and then held a prayer tour in the city.

From 23-25 of January, we held a workshop at *Encounter*. There was a lot of testimonies, physical and spiritual healings, deliverance from different curses, demonic influences, and the baptism of the Holy Spirit was evident.

On January 26, half of the team had to return to Azerbaijan. However, the other half of the team held a prayer tour in the city of Ust-Djugut, and January 28, we held a prayer tour in Zelenchuk. We took part in the ministry of the Alpha Course on January 27, and returned to Baku on the 30th.

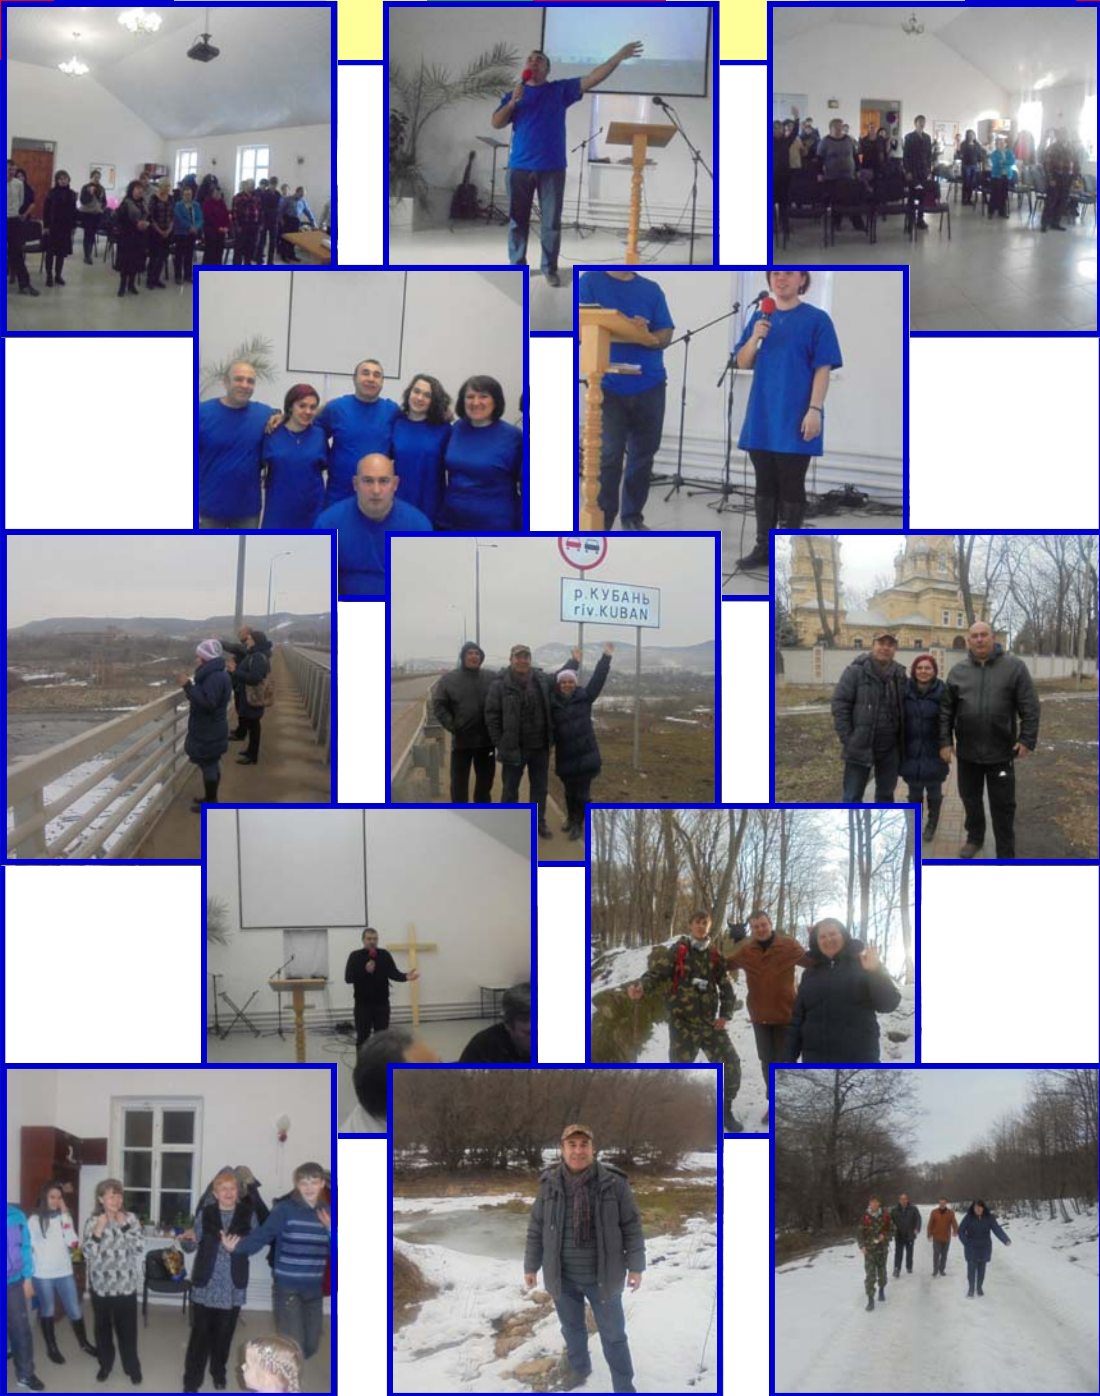

Thank you very much for your prayers for the team, for our travels, health, the weather, and the spiritual atmosphere. Our weather changed completely from 20° below to 10° above and we were so grateful for answered prayers. The snow has now melted and we are thankful. Our time of ministry was very wonderful and the people were very full and happy about God meeting with us in special ways.

We continue to pray for North Caucasus, and we expect further plans of the Lord to open for us in this area. We appreciate you joining us in this prayer.

Please enjoy these scenes from our recent ministry trip in Russia.

Be blessed,  
Brother Jeyhun
