December 2016

A Very Merry Christmas from us all here on the Island of Cyprus!

We the churches in Nicosia, Limassol, and Larnaca cities are grateful to our God for His provisions and His blessings in our personal lives and in the church as a whole. We thank God for He has blessed us in various ways. He is doing new things among us and by the power of His Spirit, we are moving forward to bring the good news of salvation to everyone. People are being saved and added to the church, praise God!! God is using our small Island as a base to Evangelize many visitors that come from many countries! We pray and believe that God has greater things for us this new year, and we extend our prayers for our family worldwide! We dearly thank our God for the wonderful church family that we are members and a part of worldwide!

We thank you from the bottom of our hearts for the support that we have from our dear Overseer Bishop Clayton Endecott and for the prayers and financial support we have been receiving from our Harvest Partners throughout the year.

Merry Christmas and a prosperous and fruitful New Year to all!
