

ETHIOPIAN LIVING WORD EVANGELICAL CHURCH OF GOD OF PROPHECY

Winter 2015

SOPAS IS COMING TO ETHIOPIA!

We are very excited to welcome our brothers from the CBL staff in March for our first SOPAS. This is an emerging answer to our long-standing prayer for further leadership development for our current and future leaders. It is also a wonderful statement to our ministers that they are not alone in their work for the Lord and their international church family does indeed support them.

PASTOR ABEYA'S REPORT

Our field secretary visited many of the regions throughout the nation in order to assess the many needs facing our congregations and to facilitate the upcoming training. There are several challenges and weaknesses we are addressing. In a number of places, we re-appointed elders to help with the struggling churches. Financial needs are always with us, we simply trust in the Lord's providence. He is truly faithful.

SPECIAL THANKS TO A SPECIAL HARVEST PARTNER

Many thanks to Christ Tabernacle Church of God of Prophecy in Sheridan, IN. They contributed \$1500 for iron sheets. The Aboote congregation in the Kelem district is anxious to complete their building. Including Aboote, we now have 15 churches in desperate need of iron sheets to serve as roofing for the places of worship. We estimate the cost to be \$1000-\$1500US. Our rainy season usually begins in mid-June, so please pray and work with us to provide for our brothers and sisters.

NATIONAL HEADQUARTERS

Our church is still seeking a home for our national headquarters and main congregation in Addis Ababa. We have approached the government for a land allotment for development and we are awaiting the fulfillment of our petition and all the necessary resources for such an undertaking.

REACHING CHILDREN SPIRITUALLY AND PRACTICALLY

In addition to our traditional ministries, we are supporting 80 children with school materials and clothing across 7 of our districts. When possible, we contribute to other family needs. Friends from the United States have assisted in this ministry and we are truly thankful.

Sincerely,
Fekadu Ayele
