

Haiti Connection

Harvest Partners

May 2015

National Overseer,
Jean-Claude Dorlean
and wife, Edette

Greetings in the name of Jesus, our divine Savior! Dear Brothers and Sisters—Partners in the service of the Lord with us in Haiti.

I don't have enough words to thank you for your prayers and your presence that made our National Convention a total success. Certainly this year the Convention was extraordinary with the presence of several authorities of the country, and more particularly, by the presence and preaching of our guests from each one who was able to attend.

Even until now people are still talking about this Diamond Convention and the same for your preaching? Praise the Lord!

Above all, there were more than 37,972 Delegates from our different churches who participated in the 75th National Convention of Haiti. There were 312 people baptized, 27 weddings were performed, and most importantly, 105 people were converted. We truly praise God for His presence and blessings.

Thank you so, so much for your presence, your prayers, and especially for the dynamic preaching of the Word. I was really blessed, as well as all the members of the COGOP of Haiti.

I want to also take benefit of this moment to thank all our Harvest Partners and donors for their prayers and loving donations to Haiti. Most especially since the earthquake in 2010, I want to tell you that your donations have done a lot of things to rebuild the COGOP in Haiti. You have served us faithfully in remembering the words of our Lord Jesus Himself when He said, "It is more blessed to give than to receive" Acts 20:35. Thank you from the bottom of my heart for your continued prayers and support.

We hope you enjoy the following photos which were taken during our 75th National Convention.

Processional led by the
Bahamas Brass Bahd who joined us
for our 75th Convention.

Honored to have special guests,
Sister Cathy Payne, and the world famous
Bahamas Brass Band join us.

**More scenes from our
75th Diamond Jubilee
National Convention**

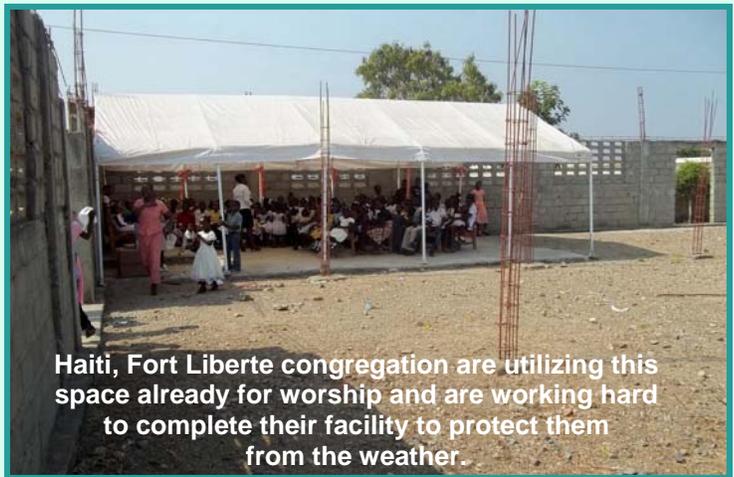

Haiti, Raymond Church project underway—
We need approximately \$5,000 USD
to complete this worship facility.

Haiti, Fort Liberte Church project underway—
We need approximately \$30,000 USD
to complete this large worship facility.

Haiti, Fort Liberte Church will be one of our
largest worship facilities when completed.

Haiti, Fort Liberte congregation are utilizing this
space already for worship and are working hard
to complete their facility to protect them
from the weather.

The above pictures are from two of our present constructions that are underway in the grand North.

1) The first photo [top left] is of the Church in city of Raymond, located in the Northwest. Many things are already done as you can see, but quite a lot remains to be done—such as, finishing the roof, installing windows, doors, and the floor. An estimated cost of \$5,000USD would help us to complete this church.

2) The three other photos are of the Church in Fort Liberte, located in the Northeast. The land on which the church is being constructed was given by Pastor Durosier Milton, who died from cancer in 2012. As you can see, this church will be one of the largest COGOP in the Northeast. The members gather now under a tent because much remains to be completed, such as the concrete, the roof, the floor, the doors, windows, etc. An estimated \$30,000USD would help our people complete this worthy project..

Be always blessed!
Jean-Claude Dorelean
Haiti National Overseer

The photo on the right shows a portion of the presidential palace for the Haitian government. This building is still incomplete from the 2010 massive earthquake which devastated this nation’s capital city, Port-au-Prince, and surrounding areas.

Thank you, Harvest Partners, for your faithfulness in prayers, encouragements, and loving support to the ministry in Haiti. It is greatly appreciated. Please be assured that you have made a tremendous impact for the Kingdom of God in this nation.

Note that all gifts are tax deductible and 100% of your gift is applied to the need you so specify.
