# LIBERIA APPEAL— ST. PAUL BRIDGE CHURCH PROJECT

The Church of God of Prophecy in Liberia believes in God for support to install windows and doors in the St. Paul Bridge Church so that we can begin worshipping in it. The church is anticipating to begin worship by this Easter season (month of April) of 2015. Any Project love offerings to assist us in this light from Harvest Partners and Helping Hand friends will be greatly appreciated.

As you can see from the below photos, our people of this local church have been working hard to complete this project on their own, but would be most appreciative for any prayerful support you may be able to contribute.

All gifts are tax deductible and 100% of your gift is applied to the need you specify.
