## Bible Camp

Greetings to you in the matchless name of our Savior, Jesus Christ. We received an invitation to participate in a Bible Camp for women from a Baptist Church in upper Myanmar. Bishop Mon and 6 ministers led the Bible Camp.

The Holy Spirit moved tremendously during the Camp. By the end of the camp, 25 women were physically healed and around 70 were saved. We would appreciate your continued prayer support for their spiritual growth.

## Dalah Mission Church building

As this house is getting older, the pastor and family are having a hard time living and adjusting with the house. The land (25 x 50) was originally donated by some people so it now belongs to the church. Therefore, if we can construct a new two-story building, the pastor and family can occupy the ground floor and the first floor can be used as a place of worship. According to my rough calculations, it will cost around \$15,834 USD to construct a two-story (20 x 40) house. Please consider extending your helping hands in helping us construct a new building for this pastor and church congregation.
