Christmas 2016

The Church of God of Prophecy in Myanmar celebrated Christmas at 4 different places; Hmawbi Yangon Division, Taungyi Shan State, Vangteh Chin State and Dalah Yangon Division. There were 700 non-Christians that attended in Dalah. Thank you very much for your prayers and continued financial support. We greatly appreciate your love and mission mindedness in this end time Ministry.

We have sensed that the Lord has put in our hearts a burden to conduct an evangelistic program in one of our mission fields in the Ayeyarwaddy Division. Our missionary invited the whole village and the Lord brought around seven hundred non-Christians to the program. We presented the Gospel message to them and most of them came to the Lord Jesus Christ.

Our new believers in the mission field attempted to build a Church. They have invested whatever they have and have only been able to lay the foundation for the Church building. They now badly need our prayer support as well as our financial support. Although we greatly appreciate their yield and ambition to build the Church, we can help in prayers only.
