Appeal for Church Building Completion

We appreciate your contributions which has made the construction work reach thus far for the Mwendapole Local Church. The church has been attempting to make arrangements to raise the rest of the funds needed by holding a rally but it has been unfruitful due to the failure of booking a guest of honor who would normally contribute a sizable amount. All in all, the church has been able to construct portions of the roof. The remaining amount of funds needed to complete the roof is \$2,800 USD. They will be using the building as soon as the roof is covered while other work on the building is in progress. We pray that you will join hands with us to get the remaining funds needed to complete the covering of the roof. May the Lord bless you more abundantly for the love and concern you've shown for the ministry in Tanzania.
