Harvest Partners

Spring of Life Christian Newsletter

Dear Harvest Partners and our high esteemed donors, Greetings in the name of our Lord Jesus Christ.

It is a great joy to communicate and share with you what our God has continued to do within my areas of operation. I also would like to express my thanks to you for the continuous support you always send to us. Without your provision, we cannot do much. May our good Lord continue to bless you and give you good health.

HUMAN NEEDS MOVE THE HEART OF JESUS CHRIST

“But when, he saw the multitudes, he was moved with compassion...Then saith he unto his disciples, **the harvest truly is plenteous, but the labourers are few**” (Matthew.9:36,37). Surely divine compassion today is no different.

Your partnership with us has continued to make us reach thousands of souls held under the influence of Satan’s power. Their wealth or their poverty means little when we are considering the fact that they are lost and they need a Savior.

Circumstances of dire poverty and extreme suffering often make us to cry; however, the heart filled with divine compassion goes beyond these pure human traits to be affected most deeply by souls that are eternally lost. May God

continue to give us more of that compassion as we labor together in the plenteous harvest.

God has enabled us to reach new areas with the word of God and many souls have continued to turn their hearts to the Lord. We managed to plant 8 new churches from March 2014-to-date and we believe this year 11 new churches will be planted. Your prayers mean a lot us in the field.

Matthew 9:38, “Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.”

NEW STRUCTURES UNDER CONSTRUCTION

Murora Church Roof—Needs 220 Iron Sheets

Thank you to all our partners for your prayers and financial support. Last year we managed to break the ground of two new big buildings and our orphanage school. I just want to report to you that God opened the hands of people and touched other men and women full of compassion to stand with us. We managed to come up with one structure of Gashoro Church in Kisoro, and we finished putting on the roof by the grace of God. They took 180 Iron sheets.

Another church, Murora in Nteko [photo above], is under construction and we have now completed it to the roof level. This building will take 220 iron sheets for the roof to save the structure from collapsing due to the coming heavy rains. We sincerely appreciate your prayers for Murora's provision—

one iron sheet costs \$24.

We need \$5,280 to purchase the 220 iron sheets and help our brothers and sisters of Murora put a roof on their church structure. They have worked so hard and invested their time and labor to make the blocks and build this church. The rainy season begins in March, and heavy rains always come in April. We need to get this church roofed before the rains destroy the work that has been completed. Won't you consider how you can help us place an iron roof on this building for them?

Churches can contribute to this building project through Harvest Partners Project Giving and individuals can give through Helping Hand Project Giving. Please designate your gift as:

Uganda—Murora Church Roof

Orphanage School—Water Well Needed

For the Amungula Orphanage School, we give all the glory to God for His marvelous provision. We broke the ground with faith and God moved mightily and brought friends to us who have managed to stand with us from the foundation to the roof. The children are now enjoying their studies in our own class rooms.

We desire to have a well bored on the school property which will serve our children and our community as well. **The cost for boring this well is estimated at \$2,400 which will provide clean drinking water.**

Our orphanage school presently has no water supply and the kids suffer a lot to get water for drinking and in wash rooms. We just buy it from the neighborhood and carry it to the school with jerrican containers, so they never get enough water. Thus, the need for this water supply is of urgency and our hands are open to all well wishers who can assist us for this need.

Special thanks go out to all our donors of the **One Child Fund** and **Helping Hand Ministry** who continue to lift up the glory of God in our nation. We pray blessings upon you as you continue to assist us for these precious little ones. No doubt, we are training and equipping these children to become leaders.

Any contributions for this project should be listed as: **Uganda—Orphanage Well**

For many years, we have been praying for the provision of a vehicle for our nation. I wish to pass along my vote of thanks to all donors, who graciously contributed towards the purchase of our transportation.

Pictured above is the newly bought vehicle for the nation of Uganda. May God continue to bless the works of your hands is our prayer.

As we continue to testify of such good works that the Lord has done in our nation, please know that we still face great challenges which require combined prayer efforts from you, our Partners in this great harvest.

Lastly, I want to thank all our brethren who have continued to pray for the members of our three ravaged churches that were completely destroyed to the ground by the storm which hit us during October this past year. We appeal to you once again to help us with these churches.

Our brothers and sisters have no place of worship, and we would like to bring this situation to you once again as this is a great need. I call upon your daily prayers because our administration is now facing deep opposition due to us not being financially able to provide for these three churches to be rebuilt. But we know that all-in-all our God is able to help us. Please consider a gift of love to assist in helping rebuild these three churches.

Churches can contribute to these building projects through Harvest Partners Project Giving and individuals can give through Helping Hand Project Giving.

Please designate your gift as:

Uganda—Rebuild 3 Churches

Thank you for your prayers and any considerations to help us with one of these projects. We wish you many blessings.

Ntezimana James
National Overseer

Prayer Points and Recap of Appeals

1. Murora Church Roof—Cost \$5,280
2. Rebuild 3 Churches Destroyed by Storm—Cost Approximately \$15-17,000/church
3. Orphanage School Water Well—Cost \$2,400
4. Motorbikes for four of our District Overseers—Cost \$1,500/each motorbike
5. Five computers for our school classrooms—Howard Christian High School; Victor’s Orphanage Primary School, and Amungula Junior Orphanage School—Cost \$500+/each computer

Computers Needed for Classrooms of 3 Different Schools

Howard Christian High School

*Note that all gifts are tax deductible
and 100% of your gift
is applied to the need you specify.*

Your monthly **Mission Giving** literally provides for the *bread and water support* to keep the Church of God of Prophecy functioning in Uganda. Thank You!

Your special offerings through **Project Giving—Harvest Partners [HPL2]** or **Helping Hand [HH]**—are also greatly appreciated and will help us fund special projects as mentioned in this newsletter, e.g. rebuild the 3 local churches destroyed by the storm in October 2014; or, roofing the Murora church; or, by providing motorbike transportation to one of our four District Overseers; etc. And, orphanage gifts for special projects can be made through **One Child Fund**, e.g. providing clean drinking water for the children by boring a fresh-water well;

Please be sure to list the designation that your offering is intended to bless, for example:
