

Zambia Connections

October 2016
Harvest Partners
Volume 1, Issue 1

We held our 2016 National Women's Conference in Kafue, Zambia on September 8th - 11th. The ladies met at the same location site of the future Zambia National COGOP Headquarters.

It was an amazing time of powerful teaching, prayers, praise, worship and connection with ladies from all across Zambia. There were about 230 women in attendance. The Lord was merciful and gracious and we are so thankful for this opportunity to grow closer to Him. As a result of this conference, many people are eagerly waiting to join the Church. Therefore, beginning in October, we will start a new work at a new site in town. We believe and trust God that this is indeed the time to move and launch into the deep though there is a lot to be done at the site.

Your prayers and support is highly appreciated.
